As you are filling out your application, please include a listing of the products you intend to sell or display. Be specific and include brand names. **NOTE:** General words like "hats," "clothing," or "gift items" **are not** acceptable. These product listings are extremely important; we develop a product listing that identifies each exhibitor, so we can refer the public (your customers) to your booth. A product listing also helps us reduce duplications or oversaturation of the market area. If you decide not to include the product listing, we consider the application as incomplete and will be unable to process it.
